

Bond, Jail Bond

By Peter Schlichting

Congratulations on your new litigation plan!

In the unfortunate event that you find yourself in prosecutorial crosshairs, No Suit For You is more than happy to assist in any way possible (assuming the requisite trial type is not in violation of your terms of service [see brochure for details]). If you find yourself in a covered scenario, the serial number for a Beale bond issued for you alone is listed below, available for your convenience as a new recipient of coverage under this plan:
