Mobius Strip $1/2$

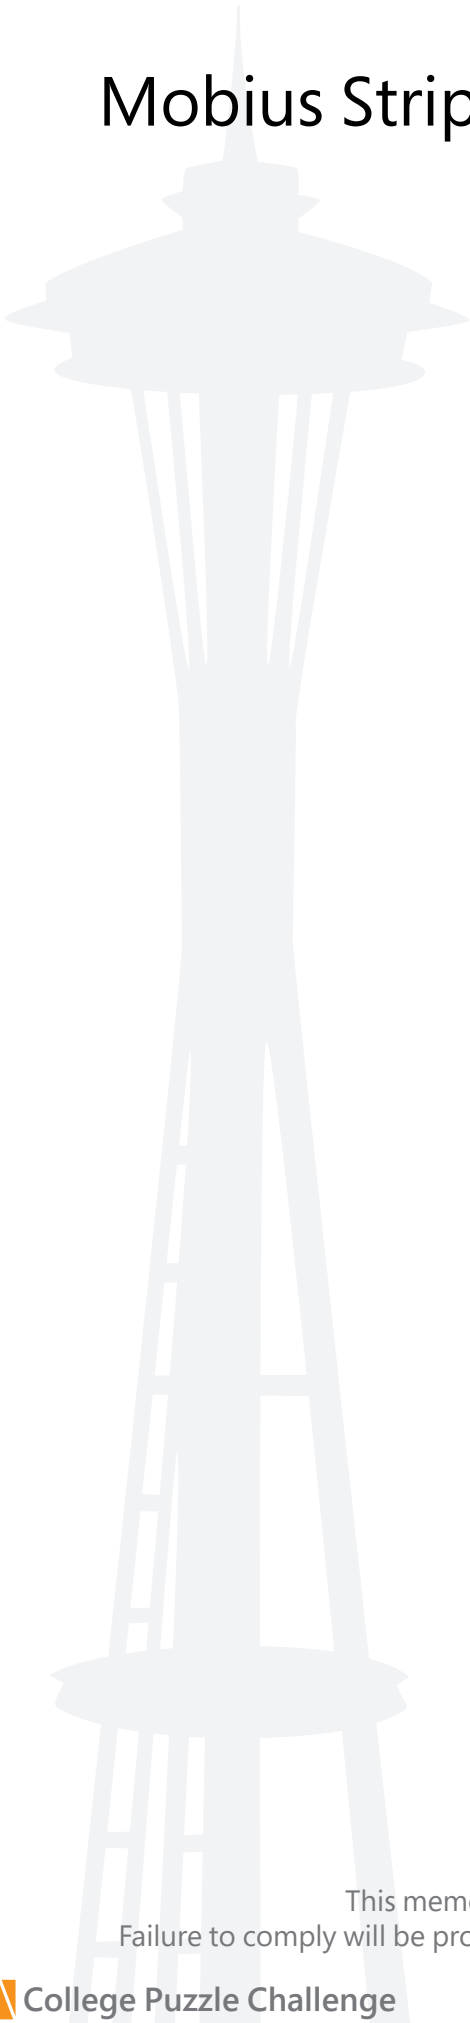

The Las Vegas Strip has been such a lovely place. Now it's time to check out and leave. But try as you might, you can't find the passage back to the place you were before... What's left to do?

To reconstruct the Strip:

1. Cut out the entire maze.
2. Fold in half along the dotted center line.
3. Connect the ends with a twist.
