

When the Chips are Down

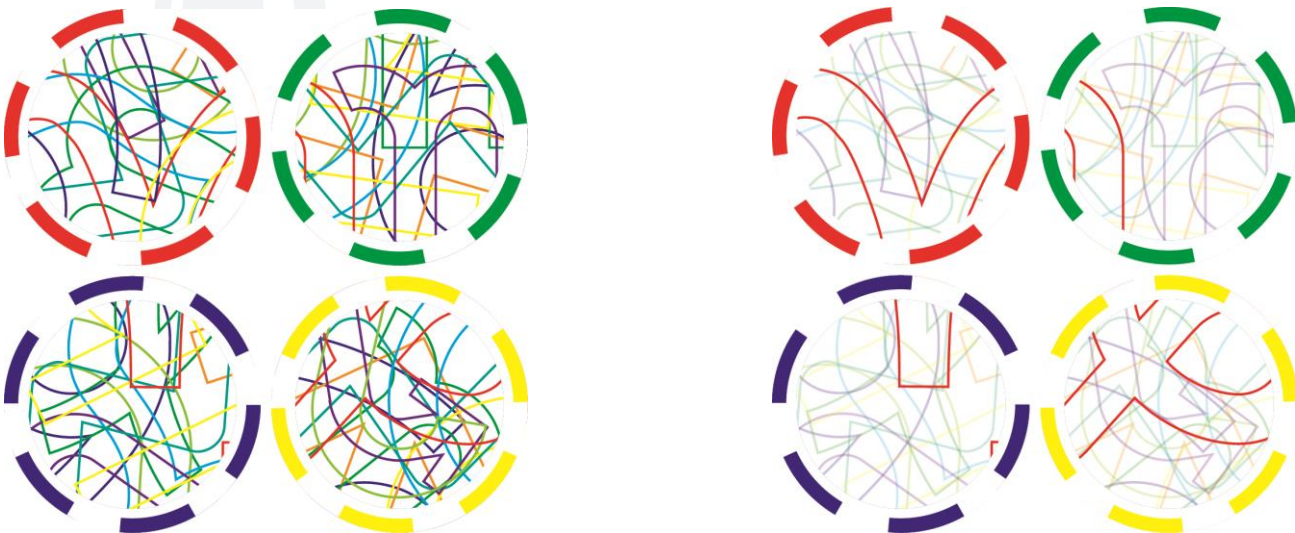

Look to the Stars

By: Chase Brownell

First you have to notice that the chips can be arranged so that the lines on the back form shapes using multiple chips. Based on the flavor text referencing "stars" you should notice that they are all zodiac symbols. Now you have to figure out which is the right zodiac symbol, to do that you need to notice the four circles on the front of the chips (in the shape of the Microsoft Logo) and arrange the chips in that way:

Once arranged you have to orient them to find the symbol which lines up:

Once you do this only one zodiac symbol lines up and is the correct direction: **CAPRICORN**.
