

I'VE GOT YOUR NUMBER

By: Rachel Crown

The numbers from the birthdays give you 10/06/11 and 03/21/14. The ages "spell" fun for all, meaning those birthdays, using the number to letter correlation with the alphabet, give you JFK and CUN. You know they're headed to the beach, so you can tell what direction the flight will go. The SkyMiles card leads you to Delta, and there is only one nonstop JFK to CUN Delta flight on Friday, April 17th, so the flight is **DL1027**. (Also a Delta/Aeromexico Codeshare, so you may stumble upon Aeromexico 417 as well.)
