

Solution to This Page Intentionally Left Blank

By Greg Peszek

Puzzle Clues:

- Clue #1: The pattern of dashes around “This page intentionally left blank” is strange (some lighter, some darker, some missing)
- Clue #2: The dashes are in groups of 8

Solution:

1. Interpret each dash as a bit: 1 for dark dashes, 0 for light dashes
2. Since each group is a byte that begins with 0, directly convert from binary to ASCII
3. The conversion yields “BLANK in the blank”: fill in the BLANK and the answer is **FILL**
