SOLUTION: Now is Not the Time to Use That!

Each paragraph contains hidden instructions on how to draw a letter, using directional words or cardinal directions (for instance, the first paragraph contains upright, downright, halfway back, and across, forming a capital A. The paragraphs are presented in alphabetical order of the letters formed.

The next step is to notice the hidden NATO letters in the paragraphs. Each NATO letter from A-N is included in the paragraphs. If you associate the letter formed in each paragraph with the NATO letters in those paragraphs, then order by NATO letter, you get the phrase GENE RAY WEBSITE. Gene Ray is famous for a website called Time Cube, proposing an alternate time theory. Thus the answer is TIMECUBE.
