The Time Traveler's Wife

"I've now done three films with time travel in them and I've not gotten to time travel, so I'm kind of bitter about that."

Why does Rachel McAdams always get left behind in the present day? This is where Rachel's characters would've gone in time if they had it their way.

1. Being the maid of honor was fun, but Jesus's dinner party looks pretty bumpin' too.
2. When in France, do as the French do!
3. Let them eat cake?! They should try Caltine bars...
4. After that accident, I'm really not sure who my husband is...maybe it's this farmer dude?
5. Maybe if this Commander in Chief was protecting me, I wouldn't have gotten killed so early on.
6. I would've much rather switched bodies with Venus than this random guy at the gas station.
7. I wonder if Blackwood will be able to find me in this busy park.
8. If you're a nighthawk, I'm a nighthawk!
9. That's exactly the face I made when I saw my husband disappear right before my eyes.
10. This better be the last time I'm paired with a guy who can travel in time. I'm this close to throwing a fruit in his face.
