Hi Sweetie, I just wanted to thank you again for the gorgeous jewelry! I've been getting compliments all day from people at work. :) How's your day going? Try to make it home by 6pm, I'm cooking.

Love you,  
Angela

Seriously?! Wow, I can't believe you got your wife a Stereo. I'd be afraid of what my wife would do if I got her any type of electronic equipment! Then again, my final choice may have been too practical. I should've just gotten jewelry...

Thank you so much for helping me pick out the necklace for my wife. She really loved it and has worn it nonstop since unwrapping it. I think she might have even slept in it! LOL What are you guys up to this weekend? It's supposed to be decent weather – bring your families by, we'll fire up the grill.

Cheers-  
Paul

**Subject:** Carpool?

Eric,

Do you want to carpool to the conference? It's downtown so it'll cost an arm and a leg for parking.

How's Olivia doing? When I saw her earlier this week, she was feeling a bit ill. Hope she's doing better.

Sincerely,  
Yvette.

**Subject:** RE: deadline

(I know it seems like a weird Valentine's Day gift to get, but it's actually perfect. My living room was incomplete so the Armchair fits right in.)

I'm almost done with this project. I have to make a few tweaks to the design, but I should have it to you by end of day as planned. Thanks for your patience.

Regards,  
Monica.
