SOLUTION: Portals

1. find 3 luggage pieces that make a loop (e.g., FractalLovebuGandalFrac...) and line up with the 2 given letters in the circles

2. read the 3 letters that land on heart shapes in a clockwise order; you will need to use information from other circles to determine which letter is the start of the trigram (e.g., "oh this makes UNLOCK")

UNLOCK BAGS HOPING ALL IS STILL IN ORDER
