

From: Philip Z Loh

# SOLUTION: Capsule

Each piece of luggage matches up to an answer to the list of clues... except 3 letters are changed. The 3-lettered trigrams listed at the bottom of the page come from the clue answer and are listed in order. You look for the 3 letters that belong in those positions, but in the luggage instead. You open the time capsule (read the middle letter) and find out how to fix everything.

Given Trigram	Clue Answer	Luggage Piece	Luggage Letters	Middle Letter	Clue
OAS	ROOMBAS	RHOMBIC	HIC	I	Automated cleaners™
WRH	WORSHIP	NONSLIP	NNL	N	Adore greatly
