

SOLUTION: Gone Fish

Author: Sam Kirschbaum

Each fish has a group of three letters on it. A subset of these fish have a group of three letters that can become a six letter word by adding -ish to the end. Ex. Ban -> Banish

The remaining fish from left to right read TOMAKEGLOSSY which is the prompt: To Make Glossy.
Keeping with the pattern of six letter words ending in -ish, the answer is Polish.
