SOLUTION: Sea Shanties

Each album has one song on it that is related to the sea. The boxed letters of those songs plus the song's line number represent attempted hits on the battleship grid. For example, *Octopus's Garden*, the first song, has letters "C," "G," "A," and "D" boxed, which corresponds to attempted hits on 1A, 1C, 1D, and 1G. Taking only the letters where hits connect with a ship from the battleship puzzle gives the final answer.
