

SOLUTION: Seals

Authors: Karthika Muthuramu & Philip Z Loh

These are navy SEALs! That's why they have Dixie Cup hats and shoulder boards.

Each seal's shoulder has a different insignia which is their naval rank: Captain (1 star and 4 stripes), Rear Admiral Upper Half (anchor and 2 stars), Lieutenant Commander (1 star and 3 stripes), and Vice Admiral (anchor and 3 stars).

Note that each seal's name has the same number of words and letters as their rank. By comparing their name and their rank, you'll notice that certain letters match between the two.
