

Arcane Cards

by Karthika Muthuramu

Tarot cards! The name of each card is like a Major Arcana Tarot card, but with one letter changed. After identifying all the changed letters, shift them forward by the numeral on the card, indicated by the plus sign. The final answer is FORECASTS. The letters remain in their left-to-right top-to-bottom order, which is also their order in the Major Arcana.

**ANSWER:
FORECASTS**

Tarot card name	Card name	Letter change	Numeral	Final letter
THE FOOL	THE F OW L	W	9	F
