

# Lost in the Mail Solution

By Jonathan Lyons

Reading the first letter of every line indicates where to find the answer to this puzzle. PREVIEWDOTLOCALDOTLIVE-DOTCOM or <http://preview.local.live.com>. This website is a technology preview of street-side-view mapping software.

The map's default starting location (between 1<sup>st</sup> and 2<sup>nd</sup> Ave in Seattle) is also your starting location. From there, follow the clues in the passage to trace out the following route through Seattle. Keep in mind that you must go the proper direction on 1 way streets!

At the final location, you will see a van to your left. As the passage suggests, it holds the answer you're looking for:

Thus, the answer is **GATEWAY**.
