

# The Abandoned Cave

By Jason Geffner

I found another cave on the island!!! Whoever inhabited this island must have liked creating caves — they're everywhere. It's like Swiss cheese... mmm, Swiss Cheese. Anyways, with a lit torch, I could just barely make out the following hieroglyphics scribbled on the wall of the cave.

On the ground, below the writing, I found an old piece of parchment paper with lines drawn on it like this:
