

# Treasure Chest

## Solution

By Andy Crane

Bryan's notes mention the number "four" and "four letter words." Use this as a constraint for the clues:

- |   |             |
|---|-------------|
| 1. How many mi. away                                    | <b>DIST</b> |
| 2. Randy Johnson, "The Big ____"                        | <b>UNIT</b> |
| 3. Waitress' earnings                                   | <b>TIPS</b> |
| 4. Denoted by a light bulb in a cartoon                 | <b>IDEA</b> |
| 5. Nation with capital Tehran                           | <b>IRAN</b> |
| 6. Prejudice, or basketball player Len                  | <b>BIAS</b> |
| 7. Garfield's canine pal                                | <b>ODIE</b> |
| 8. Dionysus, God of ____                                | <b>WINE</b> |
| 9. "True ____" starring Schwarzenegger and Curtis       | <b>LIES</b> |
| 10. South Beach or The Zone                             | <b>DIET</b> |
| 11. Now's partner                                       | <b>THEN</b> |
| 12. Foot phalanges                                      | <b>TOES</b> |
| 13. Singer with albums "Love Deluxe" and "Diamond Life" | <b>SADE</b> |
| 14. Italian Volcano                                     | <b>ETNA</b> |
| 15. They're worth 11 in black jack                      | <b>ACES</b> |
| 16. Falco of the Sopranos                               | <b>EDIE</b> |
| 17. From 13-19  | <b>TEEN</b> |
| 18. Window to the soul                                  | <b>EYES</b> |

The puzzle instruction mentions each axis has something in common; each clue's answer shares a letter from the row and column, plus the top or bottom half. The remaining letter of the clues spell out SUPER BOWL I HOST CITY, which was **LOS ANGELES**.
