THE ONLY
AS THE BRIDGE BLEW
COOK AND THE SHIP'S DOC
NOW IS TO HUNT FOR FOOD FOR THE
OWN SMALL HUT, ALL LINED UP ALONG THE
LAND. WE HAVE ALL DECORATED OUR HUTS IN COLORS
WITH IRON OXIDE, ANOTHER GREEN WITH FRESH THATCH
BLACK, AND THE DOCTOR, HERS COVERED IN A BRIGHT
AT FARTHEST TO THE EAST. ALONG THE
WHO LIVES THERE SPENDS MOST
LIVES IN THE RED HUT,
IS WHERE HIS FIRST MATE
BUT WAS BURNED

Three days here and I'm still feeling queasy. I thought that it was that awful helicopter ride here, but now I'm not so sure. The weather's been great on the island, pure sunshine. Some of the others have reported seeing these strange creatures that they swear look like giant life like gammy bears, just like the ones Dr. Semaphore is always eating in his lab. I hope I can get a close look at one of them.
