

# Avoid the Sharks

Sarah Brian

Difficulty: Easy

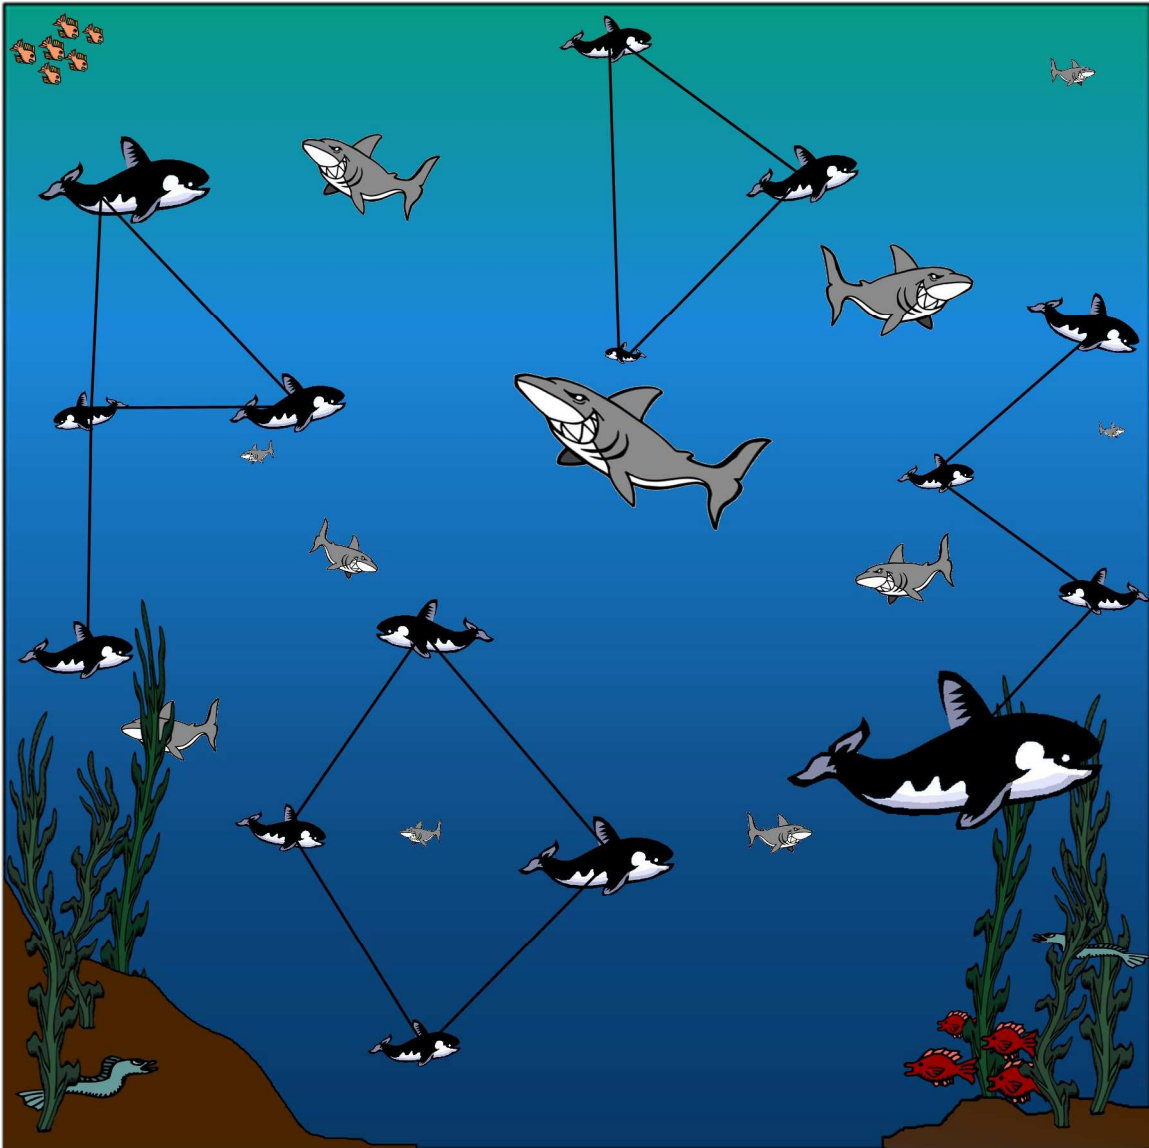

Instructions:

You are presented a postcard with a picture of an underwater scene for this puzzle. For this puzzle you need to identify the type of whale and then connect the whales in such a way as to avoid crossing over a shark.

Type of whale in the picture is Orca.

If you connect the whales without crossing near or through a shark it spells PODS.

O R C A   P O D S

Answer: Orca Pods

Hints:

1. Type of whale is important
2. You should never cross or go near a shark.
3. Connect the whales.
