

Crimson Hat

Sarah Brian

Difficulty: Easy

Instructions:

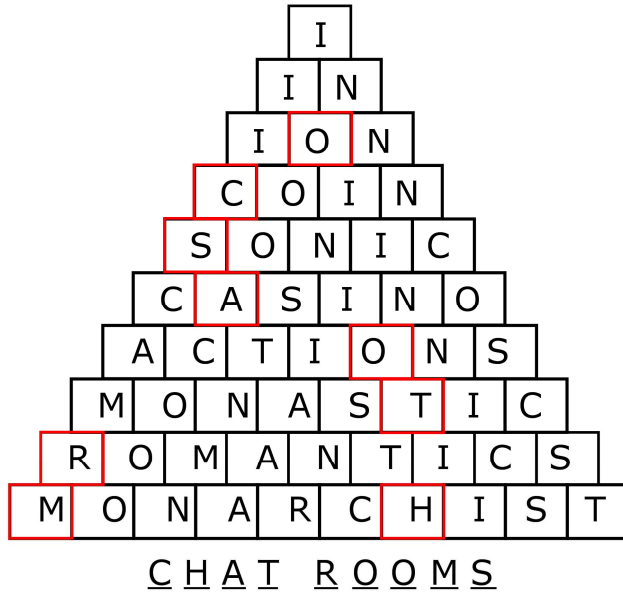

Make the next row's word using the previous row's letters plus one letter. The added letters are unique.

You are presented a postcard with instructions and a pyramid of squares with some letters. The goal of the puzzle is to add one unique letter to the puzzle for each row to create the next word. The red squares indicate the letters you then take out and rearrange to get the two word answer.

Add letters to each row in the following order: N O C S A T M R H

Unscramble the letters in the red boxes.

The answer is CHAT ROOMS.

Hints:

1. The title is the list of the letters added.
2. Row 7 is ACTIONS
3. Add letters to each row in the following order: N O C S A T M R H
