

Solution to Time in a Bottle: Volume 1

By Rorke Haining

ANSWER: ETERNITY

First eliminate the time-themed words in the bottle. The remaining letters spell “FITTING PERFUME BY CALVIN KLEIN”. The most famous time-themed perfume by Calvin Klein is “ETERNITY”. (If you typed another time-themed perfume by CK, you’d have received a hint to look for this one.)

Triple bonus points if the shape of the word search grid actually helped you find the final answer. No Jim Croce songs were harmed in the making of this puzzle.
