

# Life of Pi

By Marc Paine

The digits of  $\pi$  have been replaced by pies.

Pie	Index	Result
Frito	1	F
Grasshopper	7	O
Blueberry	3	U
Cherry	4	R
Pizza	5	A
Pumpkin	7	N
Mud	3	D
Chicken Pot	10	T
Strawberry	5	W
Apple	5	E
Pecan	5	N
Chocolate Cream	8	T
Key Lime	3	Y

The replaced digit is the index into the name of the pie.

From that, you get "Four and Twenty"

From the Sing a Song of Sixpence nursery rhyme:

*Four and twenty blackbirds,*

*Baked in a pie.*

Answer: **BLACKBIRD** pie
