

# The Art of Writing Great Lyrics

By Marc Paine

Find the title of each set of song lyrics:

Freebird

Sexyback

Hide and Seek

Kiss is on My List

Club Can't Handle Me

I'll Tell the Man in the Street

I've seen better days

The Cage

From the clues in the text "classical composers" and "especially names" as well as the dates listed, you're supposed to now start looking for classical composers. If you decode the a. column into letters it also spells out composer

Reading the titles of the songs (out loud helps), you will notice that each includes a classical composer's name. You can confirm this with the b. column as that's the year the composer was born in.

In order:

Byrd

Bach

Haydn

Liszt

Handel

Telemann

Ives

Cage

The i. column is the index into the name of the composer. From that, you get your answer.

Answer: **RHYTHMIC**
