

Solution to Treasure Island

By Rorke Haining

ANSWER: SHIVER ME TIMBERS MATEY

Pirates love answers that start with "AR"! With the intermediate answers filled in, read the letters crossed by the pirate's path in sequence to spell out the final answer.

The puzzle consists of a grid of words. A dashed line representing a pirate's path starts at a pirate character on the right, moves left through the word 'ARCHIMEDES', then down through 'ARCHIVE', 'ARCHIPELAGO', 'ARMCHAIR', 'ARTEMIS', 'ARMY', 'ARBORETUM', 'ARGENTINA', 'ARMORED CAR', and finally 'ARRESTED DEVELOPMENT'. The path ends at a treasure chest on the right. The words are arranged as follows:

- He shouted "Eureka!" in the bath: ARCHIMEDES
- Backup, or, old library: ARCHIVE
- Chain of islands: ARCHIPELAGO
- Football critic -- from his La-Z-Boy: ARMCHAIR QUARTERBACK
- Greek goddess of the hunt: ARTEMIS
- Military branch on land: ARMY
- Park emphasizing trees: ARBORETUM
- Evita doesn't want it to cry for her: ARGENTINA
- Transport for large amounts of cash: ARMORED CAR
- Jason Bateman comedy: ARRESTED DEVELOPMENT
