Eat In Or Take Away Solution 1/4

By Greg Peszek

There are a few hints off the title, flavor text and puzzle:

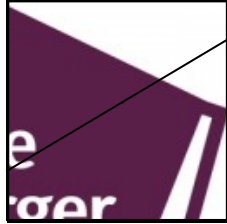

- ""Eat In" is British slang for sit down food, "Take Away" is British slang for carry out food.
- There are a lot of "or" words ("humor", "flavor", "rumor", "color") in the flavor text - words that are spelled differently in American English vs British English
- The squares appear to be pieces of logo, there are 12 and they're arranged like a clock.

Each square is a cutout ("take away") of a British restaurant logos. All restaurant here are listed on Wikipedia's "List of Fast Food Restaurant in the UK" (http://en.wikipedia.org/wiki/List_of_fast_food_restaurants#United_Kingdom).

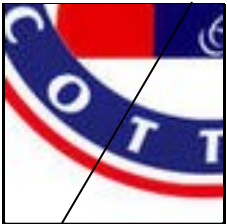

Many of the logos are on Wikipedia, some can be found with some smart searching.

Eat In Or Take Away Solution 2/4

Eat In Or Take Away Solution 3/4

By Greg Peszek

Next, notice that each piece of the logo was purposefully done to align with a position on a clock - the line intersecting through the logo square is another clue. A few examples:

"12 o'clock" = S

"7 o'clock" = N

"3 o'clock" = !

Eat In Or Take Away Solution 4/4

By Greg Peszek

Finally, take the index of the letters of the restaurant names based on the logo cutout positions:

	1	2	3	4	5	6	7	8	9	10	11	12
I	F	I	N	E	B	U	R	G	E	R		
N	C	H	I	C	K	E	N	C	O	T	T	A
D	H	A	R	D	R	O	C	K				
I	W	I	M	P	Y							
G	G	O	R	M	E	T	B	U	R	G	E	R
E	P	R	E	T								
S	P	I	Z	Z	A	E	X	P	R	E	S	S
T	T	A	B	L	E	T	A	B	L	E		
I	L	I	T	T	L	E	C	H	E	F		
O	C	H	I	Q	U	I	T	O				
N	B	E	N	J	Y	S						
!	Y	O	!	S	U	S	H	I				

Take all of the letters in order and you get the answer to the flavor text: **INDIGESTION!**
