# Cash Money .....+18.83

As I was looking to order a fabulous meal from the Diner near the Edge of the Galaxy I noticed that some of the prices were a bit odd. To pay in cash you have to have exact change and I'm short on coins. If I can't pay in cash, I figure I may as well get an order of everything and then charge it to my intergalactic charge account. It's really quite rare that I eat such a big meal at such great expense so I feel ok about the splurge.
