Fortune Teller Solution

By Drew Besse

The first step is to identify each of the pictures. This shouldn't be too hard. They are

- 1: A stick of memory
- 2: A pair of crab cakes
- 3: Calvin Johnson of the Detroit Lions
- 4: Map of Minneapolis/Saint Paul
- 5: Scorpion from Mortal Kombat
- 6: Sterling Archer
- 7: The Iron Maiden Album Number of the Beast
- 8: The Ichthys

Now you need to figure out what to do with these things. The stars, coupled with the puzzle title hint at using the Zodiac. Each of these eight items corresponds somehow to the English translation of a zodiac symbol, though often not the literal translation

- 1: Stick of RAM
- 2: pair of CRAB cakes
- 3: Calvin Johnson of the Detroit LIONS
- 4: Map of the TWIN cities
- 5: SCORPION from Mortal Kombat
- 6: Sterling ARCHER
- 7: An Iron MAIDEN album
- 8: Jesus FISH

Using the number in each star as an index into the proper zodiac name gives:

ariEs
Cancer
Leo
gemini
scorPio
sagiTtarius
vlrgo
pisCes

So the answer to the puzzle is ECLIPTIC
