

' Marks the Spot

Aaron Sheldon

Difficulty

Easy

No matter how far things get behind schedule people still find time to procrastinate.

Here is an IM that was recently caught by a traffic filter the IT group put in place.

"Hey, have you seen www.youtube.com/watch?v=8cy9kPzkjvM ? Oh, also I am going to need an e'tension on the project. Can I meet you in the library 'or on the set to talk about it?"
