An extra has run off with the newest script for the movie and you need to find it. Before he left, you noticed that he kept typing on his laptop in different weird ways and sometimes his keyboard just looked wrong. He left behind the following note:

1. bxv lgxvsk ;s.;bl hx
nx xng,m z,xzs,L JVT,M;SLE
XNG,M.CL,E NG,B .XTn ixr,
nx bxvmlw

2. Nsdrns;; od momryu

3. Frg x.yy.p jgy yd. lc;;a cb

dgbipf .brgid yr .ay ocqv

4. Ud tiy xinw ri DIEJ UB
RGW Elsm rJW UR,

5. ku xuzfgdf gnzy
gnd zrdzbd tdzfo

While solving some of my phrases above will help you translate some of the letters below, you'll need all 5 in order to figure out my entire clue for where I've hidden the script.
