

Solution to Movie Soundtrack

By Justin Marks

The audio file contains 18 clips of songs. Each song mentions an animal in the lyrics. The flavor text hints at the words “Latin” and “Family” indicating that you need to find the Latin family name for the mentioned animal. Reading the first letter of each family name gives you the phrase “French Mastiff Actor”. A quick Bing search reveals that in the movie “Turner and Hooch”, Tom Hanks stars along his French Mastiff costar **BEASLEY**.
