

Solution to The Easy Way Out

By Andy Crane

In the flavor text and title, there were a few important references to catch:

- “The easy way out”, “short cuts” -> Using short cut commands
- “Word has it” -> Use the commands from Word
- “Held control while giving instructions” -> Use the instructions typed while holding the control key

Reading down, the letters when pressing control spell out the word **VIPERS**.

1.	Elmer's product	Paste	V
2.	From Rome or Florence, for example	Italic	I
3.	Word following “News” or “Out of”	Print	P
4.	Where two diameters cross in a circle	Center	E
5.	Term referring to political conservatives	Right	R
6.	Statistic for Dennis Eckersley or Mariano Rivera	Save	S
