

# Calculator Help

Amos Eshel

Difficulty

**Easy**

I just heard there are some big shots coming in to watch us film, but because of the *politics* of the situation they're keeping secret who they actually are. A guy who knows offered to **SELL** me the information for 7735 dollars. I told him I wasn't giving him more than 40 dollars for it. "**Oh,**" he said, "I'll make you figure it out then," and gave me this. I think you're gonna need a calculator to figure it out, when you do, tell me who the big shots are.

- 
- $5 * (6 * 10 + 9)$
  - $2 * 5^2 + 3^2 - 2^3$
  - $5^3 - 5!$
  - $4^2 - 2^4$
  - $10 * 2 - 3 * 5$
  - $16 + 2 + 16$
  - $7^2 + 2$
  - $7 * 11 * 10^2 + 6 * 3$
