

Solution to Marching One by One

By Amos Eshel

- Below are the answers to the crosswords.
- The small pictures are pictures of ants and represent the letters ANT when found in the crossword.
- Title and flavortext hint to the nursery rhyme The Ants Go Marching.
- "And they all go marching down, to the ground, to get out of the rain." The green surrounding the last crossword is grass (i.e. the ground) and the last crossword also doesn't have any ants in it.
- Identifying each ant with a square on the ground and reading in order spells **CUTTER**, a character from *Antz*.
