

Solution to Don't Mess With Wikipedia

By Andy Crane

This puzzle was hidden in the rules, where you were explicitly told not to edit the Wikipedia entry for College Puzzle Challenge, and indicating that Professor Solvem has used this strategy in the past. Looking at the edit history for that particular page will show one edit by a user ProfSolvem, with the text added "Submit answer winner." Just do as you're told and submit the answer to this puzzle, **WINNER**
