

Solution to Hospital Visit

By Ali Crane

Within the text, a number of medical abbreviations are used, which should indicate that they are of interest.

- Find the appropriate abbreviation from the description of each patient
- Index into that abbreviation by the patient's floor
- Take the letters to spell out the phrase "McDreamy Actor"
- Any search on this phrase will lead to the solution **PATRICK DEMPSEY** but noting that all the actors have appeared at some point on Grey's Anatomy should give an extra hint.
